## Check Reorder Request Form

**Thanks so much for your business!**

When it comes to ordering checks, it's ideal to use the Check Reorder Form that's located in the last order of checks that you received. It has all of the information necessary to place your new check order. However, if you don't have that form available to you, there are a couple of other options:

1. If you wish to order the same type of checks, and have no changes to make to your address, phone number or other information, you can submit your reorder electronically from Online Banking or from the Forms & FAQs page of our website under the Convenience tab.
2. You can complete and print this form and return it by mail or in person to any of our locations; or
3. You can call us at any of our locations Monday through Friday, 8:00 a.m. to 4:00 p.m. to place your order.
